

Mr. Kevin Hydes

Chair, World Green Building Council; Vice President, Santec ; Immediate Past Chair, USGBC & Founder, Canada GBC

Kevin is Vice President of Buildings Engineering and Sector Leader for Sustainable Design at consulting engineers Stantec. A wealth of knowledge, Kevin is a sought-after presenter, speaker, and advisor within the green community. He is Chair of the World Green Building Council and Past Chair of the U.S. Green Building Council. He is also a Co-founder of its Canadian counterpart, the Canada Green Building Council and serves as a faculty member to both councils. Kevin is also an Honorary Member of both the Royal Architectural Institute of Canada and the Architectural Institute of B.C. He is an Adjunct Professor at McGill University School of Architecture and the Liaison Officer for the Association of Consulting Engineers of Canada and the Canada Green Building Council. He is a highly dedicated voice of green design and finds enjoyment in sharing knowledge with the broader community.
